Foreword

When 12 years of going to school ends in just one night, a well established habit is dissolved. A new life begins; an old one is just a memory. The once tangible is now only in the minds of those who have left. The senior year - a precious end to childhood; the junior year - almost adulthood; a sophomore - just an in-between; a freshman - a beginner - all are captured in the 1971 CORRAL. We, the members of the Journalism Class, hope that our work will be a fitting tribute to a part of your life at RAPIDES HIGH SCHOOL.

"We've Only Just Begun"

To one of the nicest girls
I've ever known. Just
remember that great
"Senior Math" class that
we had together. Hope
you have the best of
luck in the future.

Friend always,
Rebecca Anne Novio

Well Barbie I hope your wish
comes true not only for you
but for me too. Especially with
me and Johnny. Ida, Barbie
you have the sweetest personality
of any person I know. You're a
perfect girl and I hope you
have a good future with some
good-looking, fine fella. Well
that one must be in school
and I hope we stay friends
like we are forever. Good luck
and have a good future.

Truly your friend,
Cathy Brady
Junior "11"
Senior "12"

sweet girl. Hope
you have all the
best luck one can have.

Bobbie,
We've really had
some good times in
our past 11 years and
I hope we have more
next year. Best of luck
to a real sweet girl.
Love,
Lillian

Bobbie,
Well another
year has gone by.
Next year we'll be
Seniors of PHS, (poor school)
It's been a lot of fun this
year. I hope it's more fun
during the summer. Good night
Good Luck. See you in Aug. or
Sept.
Love,
Lillian

Bobbie
Well, we only
have one more
